The Brookings Regional Humane Society provides:

Pet Adoptions: Adoption fee includes spaying or neutering, age appropriate vaccinations to the point of adoption, Rabies vaccinations, heart worm testing, and Leukemia/FIV testing.

Foster Homes: Space at our facility is limited, so foster homes are always welcome.

Volunteer Opportunities: We rely solely on volunteers to provide care for the animals, raise funds, and support our programs.

Education Programs: We have educational programs for schools, civic groups, and individuals.

Cruelty Investigations: If you observe an animal being abused or neglected please report it.

Future Services: With your help we hope to build a new facility to house our animals awaiting adoption, while continuing to place animals with special needs into foster homes.

You can contribute to the Brookings Regional Humane Society through:
